A photograph showing a teal-colored metal railing in the foreground, likely part of a bridge. The railing is a vertical I-beam shape. In the background, there is a dense forest of green trees. Two power lines run horizontally across the upper portion of the image. The sky is bright and overcast. A date stamp '07/30/2020' is located in the lower right area of the image, overlaid on the trees.

07/30/2020

A photograph showing a close-up view of a structural steel beam. The beam is painted blue but has significant rust damage, particularly along its length. A large, irregular hole has been punched through the top flange of the beam, revealing a bright green interior surface. The surrounding structure appears to be made of concrete or another material, with some visible wear and tear. The date '07/30/2020' is printed in orange text at the bottom of the image.
