

A photograph of a concrete wall, likely in a basement or crawlspace. The wall is covered in green and yellow mold, particularly along the bottom edge. There are two vertical red marks on the left side of the wall. The ceiling is dark and appears to be made of wooden planks. The floor is dark and has some rocks or debris. A date stamp "09/22/2020" is visible in the bottom right corner.

09/22/2020
