A photograph showing the interior of a wooden roof structure. The image captures a complex network of wooden beams and trusses, forming a series of repeating triangular and rectangular patterns. The wood is a light brown color, and the structure is supported by vertical posts. The lighting is somewhat dim, with a few small lights visible in the distance. A date stamp '09/23/2020' is located in the lower right quadrant of the image.

09/23/2020

A photograph showing the interior of a wooden bridge structure. The image captures a complex network of wooden beams, trusses, and supports. The lighting is dim, with a bright light source visible in the distance on the left, creating a strong contrast and highlighting the textures of the wood. The perspective is from within the structure, looking down a length of the bridge. A date stamp is visible in the lower right corner of the image.
