

A photograph of a wet asphalt road, likely after rain. A metal guardrail runs along the top edge of the frame. In the bottom left corner, there is a pile of brown, fibrous debris, possibly seaweed or roots, partially submerged in a small pool of water. A single green leaf lies on the wet pavement in the center-right area. The date "09/02/2020" is printed in orange text in the bottom right corner.
