

A photograph showing a weathered concrete wall on the left. To the right of the wall, there is a dense growth of green plants with heart-shaped leaves. Some plants are climbing the wall. At the base of the wall and plants, there are several large, dark, rounded rocks. The ground in the foreground is dark and appears to be a mix of soil and small stones. A date stamp '09/11/2020' is visible in the bottom right corner of the image.
