

A photograph of a wooden covered bridge. The bridge's upper structure is made of light-colored vertical wooden planks, while the lower structure is dark wood. A white rectangular sign with a black border is mounted on a metal post to the right of the bridge. The sign reads "LEGAL LOAD LIMIT 16,000 POUNDS" in black capital letters. In the background, there are bare trees and a road visible through the bridge's opening. A yellow diamond-shaped sign is partially visible on the left side of the bridge.

LEGAL LOAD
LIMIT
16,000
