

A photograph of a wooden covered bridge. The bridge has a gabled roof and is constructed from dark, weathered wood. A white rectangular sign with a black border is mounted on the front wall, just above the entrance. The sign contains the text 'BRIDGE LOAD LIMIT 4 TONS' in black, bold, sans-serif capital letters. The interior of the bridge is visible, showing a complex wooden truss structure. At the far end of the bridge, there is a bright opening where green foliage is visible. The lighting is bright, suggesting a sunny day, with some overexposure in the upper right corner.
