**NOTES**

Polyconic map projection based on U.S. Geological Survey maps. State plane coordinate system superimposed on transverse mercator projection in 20,000-foot grids.

Map prepared with aid of aerial photography dated 1942, 1955, and 1956.

Inventory date of cultural features is 1956 for town and state aid roads, 1956 for state highways. Date of road surface types as shown on this map Dec 31, 1964.

Population figures based on 1960 census. Population of incorporated villages and urban compacts not included in town totals.
