STATE PARKS AND FORESTS

Vermont has 34 State Forests and 38 State Parks, totaling 130,000 acres. Recreational facilities in both forests and parks are administered by the Division of Parks. The Division operates 37 campgrounds containing approximately 2,200 individual campsites and 13 major state beaches with public bathrooms. Approximately 4,000 acres in the State Forests are devoted primarily to skiing and are leased to private operators. Some of these ski areas, located at least in part on state forest land, are Snow Killington, Burke and Okemo. All forests and parks, except game refuges, and where close to human concentrations, are open to hunting after October 15th. Many of the forests and parks have hiking and snowmobile trails.

**CAMPING**—All campgrounds have a resident manager, drinking water and flush toilets. An individual campsite includes a level tent space, fireplaces and table. All sites will accommodate a tent and most all sites will accommodate a travel trailer, but there are no special hookups for utilities in any of the campgrounds. However, most campgrounds have a sanitary station for use by self-contained campers. Some of the campgrounds have Green Mountain lean-tos, which are roofed shelters closed on three sides and fully open on the fourth. They have a 10' x 13' wooden floor about 15 inches above the ground and will accommodate up to five persons. For information regarding camping in Vermont State Parks and Forests, write: Agency of Environmental Conservation, Department of Forests and Parks, Division of Parks, Montpelier, Vermont 05602, or the individual areas listed below from May 1 to October 15.

**GENERAL INFORMATION**—All summer areas open Friday preceding Memorial Day. Swimming areas close after Labor Day. Other areas close after Columbus Day. Day use areas are open 10:00 A.M. to 9:00 P.M. After Labor Day, the areas close at 8:00 P.M. Fires can be built only in fireplaces or designated areas. Fuelwood is available in the campgrounds. Trees, plants and flowers cannot be cut, lifted or picked. All dogs must have rabies vaccination, and owners will be requested to show evidence of valid vaccination. All pets to be kept on leash. All pets prohibited in swimming areas. Vermont also has 241,000 acres of Green Mountain National Forest land administered by the U.S. Forest Service. For further information, write: Forest Supervisor, Green Mountain National Forest, 151 West Street, Rutland, Vermont 05701.

**ART GALLERIES AND SUMMER THEATRES IN VERMONT**

Sculpture on the Highways. As a result of two international sculpture symposia held in the Green Mountain State, one in 1968—the other in 1971, eighteen marble and concrete sculptures have been placed on Vermont's Interstate Highway system. Strategically located in rest areas, the monumental constructions are found from the Massachusetts to the Canadian borders on I-91 and I-89.

**HIGHWAY DIRECTIONAL SIGN SYMBOLS**

Vermont's Travel Information Center, a citizen policy-making board in State Government, is removing all off-premises outdoor advertising signs from Vermont's highways. This effort to maintain the natural beauty of Vermont is most complete in the southeast corner of the State. Vermont businesses have erected small individual directional signs, as well as plaques on unannounced company "travel information" plazas. Locations of these businesses may be found by locating their assigned numbers on Travelers Services maps provided in dispensers at the information plazas and at staffed information booths operated by the State and local chambers of commerce. Some of the more common sign symbols appear below:

Food, Recreation, Gasoline, Lodging, Goods & Services

VERMONT FISH & GAME INFORMATION\*\*

Many of Vermont's communities have very active historical societies and in some cases, a museum is maintained to exhibit local memorabilia. The majority of these smaller museums are only open to the public on a limited basis during the spring, summer and fall. For those interested in Vermont's early history, the following museums should prove interesting. Inquire locally for further information.
