Quechee Festival

Vermont is well-known for its scenic countryside and friendly people. Known as the Green Mountain State, Vermont's rolling hills have a comfortable, relaxed appearance which change to reflect each season. Summer months find a carpet of green foliage covering the hills, while the cool days of fall change leaves to brilliant hues of red, orange and yellow. Winter brings its annual layer of white snow which covers all, and spring ushers in a new season of growth. Whatever your favorite season, Vermont's clear lakes, white-steepled villages and rolling hills provide the ideal setting for countless hours of relaxation and fun for residents and visitors alike.

Vermont holds a very special charm for many who visit, perhaps because it is one of the smallest and least populous states, and yet it is so near major North American cities. Visitors actually claim they can feel the difference as they enter Vermont, whose visual beauty has been protected in part by forward-thinking environmental laws designed to preserve the state's scenic countryside.

It is here you'll find a special quality in a friendly land, with friendly people willing to share experiences, provide vacation memories and create a desire to return again.

Beverage Container Deposit Law

In 1973, Vermont enacted legislation against throwaway beer and soda containers. The law mandates a minimum 5-cent deposit on every beer and soda can or bottle sold in the state. There's a deposit on all bottles sold in Vermont whether or not labled, while all cans must be labeled on the top lid. This legislation has been overwhelmingly successful and roadside litter has been dramatically reduced. Visitors are reminded: you are entitled this refund upon redemption of your beverage container. Thank you for your cooperation.

The Vermont State Craft Center at Windsor House opened May 1976, in the historic town of **Windsor.** Operated by Historic Windsor, Inc., an extensive gallery is located in the restored lobby and mezzanine of Windsor House, a former 19th century inn built in the Greek-Revival style. Hours are 9-5 p.m. Mon.-Sat., year round; and Sun. 12-5 p.m., June-Jan.

Both centers are sales galleries for fine Vermont crafts and hold classes for children and adults, special craft festivals and rotating exhibits featuring Vermont craftspeople.

State Parks

Vermont has 40 state parks including 35 campgrounds and 35 day use areas. All areas have a resident ranger. Campgrounds offer leantos and tent sites, and most have flush toilets. Many have a resident naturalist who organizes walks, evening programs and a variety of other activities. Day use areas have beaches with lifeguard supervision, picnic sites and toilet and changing facilities. Many have snack bars. There are also opportunities for group camping and picnics.

Most areas are open from Memorial Day through Labor Day weekends. Some campgrounds are open earlier or later in the season. Contact the Montpelier office or the individual park for specific hours and dates of operation.

The Department of Forests, Parks and Recreation manages a total of 157,000 acres of forest and park land which offers opportunities for hunting, fishing, cross-country skiing, snowmobiling, hiking and primitive camping. For more information contact: The Department of Forests, Parks and Recreation, Montpelier, Vermont 05602 (828-3375).
