Child Safety Seats Required

Vermont law requires that children under one year of age must be secured in a car seat. Children between one and five must be secured in a car seat if riding in the front seat and in a car seat or a seat belt if riding in the rear seat. Children aged five through seven must be properly secured in a booster seat approved by the NHTSA.

1991-92 Official State Map

Vermont
The Green Mountain State

Free access to the season charm of Vermont — its natural resources, state-wide — is provided by a network of modern Interstate and State Highways offering unexcelled mountain and valley vistas. These are supplemented by over 11,700 miles of Vermont roads, many of which are make advance local inquiry regarding non-traveler road conditions during the winter and early spring seasons. The approximately 13,800 miles of public highways in Vermont include:

- 320 miles of State Highways (including Interstates), and
- 11,770 miles of Town Highways.
