Vermont Makes It Special

Agriculture

Vermont farms contribute to both the pastoral quality of the landscape and the traveler's dining pleasure. Dairy products are the mainstay of Vermont's agricultural economy, with maple syrup, apples, plant nurseries, livestock, honey, vegetables and fruits also making significant contributions.

Weekly farmers' markets are held in communities throughout the state from early summer to mid-autumn. Farmstands dot the roadsides throughout the state as well.

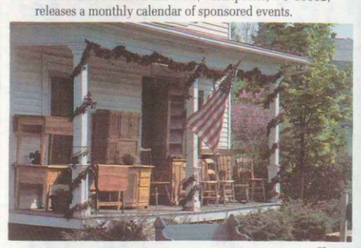
SEAL OF QUALITY Vermont DEPARTMENT OF AGRICULTURE

Vermont Department of Agriculture has available information on pick your own fruit and vegetables in season, perennial and display gardens, cheese companies, apple and Christmas tree farms, and a pamphlet on sugarhouses lists where visitors can observe the sugaring process and buy maple products.

Take home some quality Vermont farm products.

Arts & Crafts

During the summer and fall, Vermont displays a bumper crop of visual and performing arts. General listings of **Theaters and Festivals** can be found in the ***Vermont Traveler's Guidebook***. For specific events, consult the seasonal ***Events Calendars***. Also, the Vermont Council on the Arts, Montpelier, VT 05602, releases a monthly calendar of sponsored events.



Chester

In addition to the many seasonal **Crafts Fairs and Festivals** held throughout the state, two craft centers operate year round.

The **Vermont State Craft Center at Frog Hollow** was founded in 1971, and established as the nation's first state craft center by the Governor's Executive Order in 1975. It is located in the charming college town of Middlebury. The center is open Mon.-Sat. 9:30-5 p.m. An extensive collection of Vermont crafts in all media is offered.

The **Vermont State Craft Center at Windsor House** opened May 1976, in the historic town of Windsor. Operated by Historic Windsor, Inc., an extensive gallery is located in the restored lobby and mezzanine of Windsor House, a former 19th century inn built in the Greek Revival style. Hours are Mon.-Sat., 9-5 p.m., year round; and Sun. Noon-5 p.m., June-Jan.

Both centers are sales galleries for fine Vermont crafts and hold classes for children and adults, special craft festivals and rotating exhibits featuring Vermont craftspeople.

Attractions

Mountain slides, mountain rides, scenic journeys on restored railroads and lake cruises are a sampling of Vermont's popular attractions. The Green Mountain State is itself a centerpiece attraction: the pastoral landscape, 19th century villages, and outdoor recreation facilities have long delighted travelers.

Several well-known attractions are indicated as 'Points of Interest' on the map: ■. Others are listed in the colorful ***Vermont Attractions*** brochure and in the seasonal ***Events Calendars***.

Bicycling

Vermont's scenic roads are renown for bicycle touring. Relatively low volumes of traffic and minimal roadside litter have also been factors in attracting cyclists to the Green Mountains.

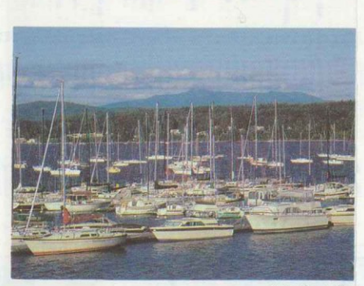
Extra caution should be taken on mountainous routes where roads will often be narrow, and on certain, heavily traveled highways. The Department of Forests, Parks and Recreation suggests bicyclists use ***extreme caution*** on the following highways:

U.S. 7 — Between Manchester and Burlington
U.S. 9 — Between Bratteboro and Bennington
U.S. 4 — Between Rutland and White River Jct.
U.S. 2 — Between Montpelier and St. Johnsbury
VT Rte. 100 — While a popular and scenic route, it is heavily traveled, winding and narrow.

Bicycling is almost always wisely high-visibility clothing and travel ***single file***, keeping as far to the right as road conditions permit. Large groups should separate into smaller groups of two to four bicyclists, allowing sufficient distance between these groups for cars to pass safely.

Several professionally-run bicycle touring organizations operate a variety of trips throughout the state. A current listing of these can be found in the ***Vermont Traveler's Guidebook***.

A bicycle touring map published by Vermont Life Magazine is widely available in Vermont; or write ***Bicycle Touring Map and Guide***, Vermont Life, 61 Elm St., Montpelier, VT 05602 ($2.95, plus $1 postage and handling). Tel. 802-828-3241.



Lake Champlain

Boating & Canoeing

In addition to more than 200 miles of shoreline along Lake Champlain, Vermont has more than 400 lakes and ponds and several hundred miles of navigable rivers. Boating of all kinds is popular along New England's West Coast and on the state's larger lakes. Sailboards are increasingly visible on Green Mountain waters.

Public Boat Launch Areas are indicated by the symbol ⛵ on the map. Boaters should note that fishing licenses and fishing equipment are required for use of fishing access areas: tickets will be issued and fines levied for recreational boating from these sites.

For detailed listings of marinas and boating & waters sports equipment rentals, request ***Vermont Traveler's Guidebook*** from the Vermont Travel Division.

Motorboats

Laws and Regulations Governing the Use and Registration of Motorboats is available from the Vermont Dept. of Public Safety, Marine Division, Waterbury, VT 05676.

Sanitation Regulations

It is illegal to discharge sewage into the waters of Lake Champlain or any other body of water in Vermont. State law requires any vessel operating in Vermont waters and having a marine toilet on board to be equipped with a holding tank. Any optional means of discharging toilet waste through the hull and into the water must be sealed shut and any discharge hoses disconnected and stored. For an information sheet listing pump-out stations on Lake Champlain, write the Vermont Department of Water Resources in Waterbury, VT 05676.

Canoeing

Several of Vermont's major rivers provide long stretches ideal for canoe trips, and certain areas are popular for whitewater kayaking and rafting during the spring and early summer.

Rivers accessible to canoeists include the Connecticut, Lamoille, Missisquoi, Winooski, Battenkill, Lamon Fair and Otter Creek. Overnight campers are advised to obtain permission in advance from private landowners, and Vermont law requires permission before building a campfire on private land between April 1 and November 1.

For other sources of information, listings of guided tours and inn-to-inn canoe trips, see the ***Vermont Traveler's Guidebook***.

Camping

Facilities for camping are available on state and national forest land, and at privately operated campgrounds.

State Parks

Vermont's 34 state-operated campgrounds provide more than 2,200 sites for campers. Campsites include a fireplace and picnic table. Firewood is usually available for a small charge. Most sites will accommodate an average size recreation vehicle, but hook-ups for water, electricity or sewage are not available. Sanitary dump stations for RV's are available at most areas. Three-sided lean-tos that will accommodate up to five people are available at many campgrounds.

Facilities and services available at each campground are detailed on the chart at the right. For additional information call or write: Vermont Dept. of Forests, Parks and Recreation, Waterbury, VT 05676. Tel. 802-244-8711.

Green Mountain National Forest

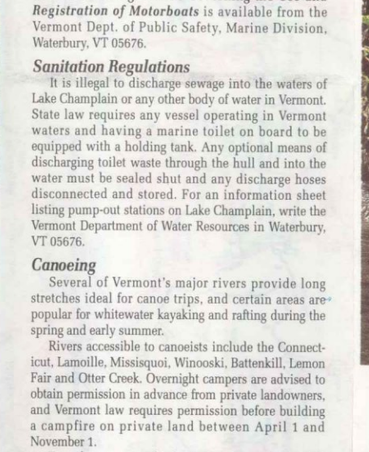
Over 335,000 acres of the Green Mountains are managed by the U.S. Forest Service. Campsites are available at five areas listed on the chart at the right. For details, call or write: Forest Supervisor, Green Mountain National Forest, Federal Bldg., 151 West St., Rutland, VT 05701. Tel. 802-773-0300.

Primitive Camping

Camping in remote areas, away from managed campsites, is regulated on both state and federal land in Vermont.

Many remote areas of state land are available for backpacking, but hikers and campers are expected to carry out all refuse. Permits are required for groups of eleven or more people. Write or ask for the ***Vermont Guide to Primitive Camping on State Lands*** from the Dept. of Forests, Parks and Recreation.

Primitive camping is allowed in the Green Mountain National Forest. A permit may be required for organized groups. Details are available from the Forest Supervisor listed above.



Woodford

Privately Owned Campgrounds

The Vermont Association of Private Campground Owners and Operators (**VAPCOO**) annually publishes a listing of members and the facilities and services offered at their campgrounds. Sites range from simple tenting to complete RV hook-ups. The VAPCOO brochure is available at all Vermont information sources or by writing: Silver Lake Family Campground, Barnard, VT 05031.

Advance reservations are recommended during the summer and fall seasons. (See listings at right.)

Covered Bridges

More than 100 of Vermont's covered bridges are indicated on this map. Many of these bridges are located off major routes and provide good reason to explore some of the less-traveled countryside. The oldest covered bridge in Vermont is the 1820 Pulp Mill Bridge at Middlebury. The longest is the Scott Covered Bridge in Townshend. The newest was built at Woodstock in 1969. In recent years, more than 50 of these bridges have been extensively repaired or restored, and many are listed on the National Register of Historic Places.

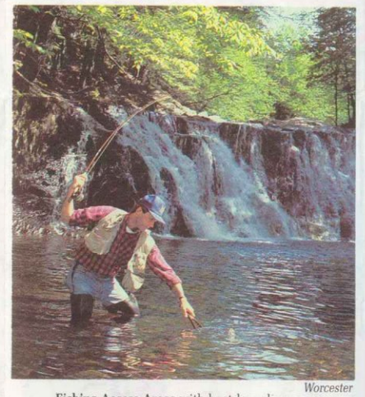
Ferry Crossings

Auto/passenger ferries operate across Lake Champlain from four landings in Vermont. The northernmost of these, running between Grand Isle, VT (C-4) and Cumberland Head, NY, operates year-round. The Burlington, VT (C-6) to Port Kent, NY, operates mid-May through late October, and the Charlotte, VT (C-7) to Essex, NY, operates April (opening date subject to ice conditions) through November. All the above ferries are operated by the Lake Champlain Transportation Company, King Street Dock, Burlington, VT 05401. Tel. 802-864-9804.

The southernmost ferry runs between Larrabee's Point VT (C-10), and Ticonderoga, NY, with continuous six-minute crossings from 8 a.m.-9 p.m. during the summer and a shorter schedule in the spring and fall. Call 802-897-7999 for information.

Fishing

Vermont is renown for both warmwater and cold-water fishing. More than 400 lakes and ponds and some 5,000 miles of fishable streams lie within the valleys of the lush Green Mountains.



Worcester

Fishing Access Areas with boat launch ramps are shown on this map by the symbol ⛵. Information on the species of fish and the quality of fishing to be expected in specific areas is detailed in the ***Vermont Guide to Fishing***. For complete information on seasons and limits, request the ***Digest of Fish & Wildlife Regulations***. Both publications are available from the Vermont Fish and Wildlife Dept., Waterbury, VT 05676.

Seasons

Hiking

Two major hiking trails run along the spine of the Green Mountains. The approximate route of these trails is indicated by ▪▪▪▪ on this map. The **Appalachian Trail** and the **Long Trail** follow the same route from the state's southern border to the Sherburne Pass (E-11), where the Appalachian Trail turns east and the Long Trail continues north, following the heights of the Green Mountain range to the Canadian border.

Access to these trails can be found along spur trails, or where they intersect highways and roads. Shelters are available at intervals along these trails. Foresters recommend that hikers utilize topographic maps of their route. The ***Guidebook to the Long Trail*** ($8.50, plus $1.50 P & H) and ***Day Hiker's Vermont Sampler*** (free with S.A.S.E.) are available by writing the Green Mountain Club, Inc., PO Box 889, Montpelier, VT 05601. Tel. 802-223-3463.

A listing of additional publications on hiking in Vermont can be found in the ***Vermont Traveler's Guidebook***.

Also, marked foot trails and nature trails can be found at many state and federal parks and forest areas. (See ***Public Recreation Areas*** chart at right.)

Historic Sites & Places

Settlement of Vermont began in earnest shortly before the American Revolution. The state's more than 200 years of history is remarkably accessible through buildings, battlefields and museums.

State-owned sites include the oldest log cabin in the United States, the Hyde Log Cabin (1783) at Grand Isle (C-4). Other state-owned sites include the Bennington Battle Monument (D-17), the birthplace of President Chester A. Arthur at Fairfield (E-4), and the family home of President Calvin Coolidge at Plymouth (F-12). Listings of all state-owned and maintained historic sites can be found in the ***Vermont Traveler's Guidebook***. Detailed information about each site may be obtained by writing: Division for Historic Preservation, Montpelier, VT 05602. Tel. 802-828-3226.

Many other properties of historic interest are privately operated, yet readily accessible to the public. Listings can be found in the ***Vermont Traveler's Guidebook*** and in the seasonal ***Events Calendars***.

A detailed, 150-page catalogue, ***Vermont's Museums, Galleries & Historic Buildings***, is available from The Museum & Gallery Alliance, c/o Shelburne Museum, Dept. VTM, Shelburne, VT 05482 ($5.95, plus $1.50 postage and handling). Tel. 802-985-3346.

Hunting

Significant areas of state-owned land are designated **Wildlife Management Areas**: these tracts are open land for public hunting and general recreation compatible with wildlife management. The ***Vermont Guide to Hunting*** map depicts these and other public lands accessible to hunters in more detail. The ***Guide*** and the ***Digest of Fish & Wildlife Regulations*** are available from the Vermont Fish and Wildlife Dept., Waterbury, VT 05676.

Landowner permission is recommended before hunting on private land: strict laws apply to both camping and driving on private land as well.

Lake Champlain Maritime Museum

Museums

The nearly thirty museums in the Green Mountain State provide entertaining and educational stops or day trips in every part of the state. The famous Shelburne Museum (C-7) has 37 buildings on 100 acres, and includes the SS Ticonderoga, the only remaining sidewheeler steamship in the nation. Other museums exhibit art, wildlife, or items and demonstrations of historical and scientific interest. Many of these museums are indicated by the 'Point of Interest' symbol ■ on the map side.

For detailed listings of Vermont's museums and their special collections, see the ***Vermont Traveler's Guidebook*** and the listings in the ***Events Calendars***.

Many Vermont communities have active historical societies which operate small museums. These are generally open on weekends during the summer and fall months for a limited number of hours, or by appointment. Inquire locally.

Scenic Villages

The New England village, a group of clapboard houses clustered around a steepled church or town hall, is an image that Vermont fulfills in abundance and variety. The villages and towns listed below may be distinguished by their central commons, an intact 19th century streetscape, or particular views from the surrounding hillsides. Some are recognized as Historic Districts on the National Register of Historic Places.

This listing is representative; travelers will discover visual and historic interests in many other villages and towns as well.

Skiing

Alpine

Within her relatively small geographic area, Vermont has 24 alpine ski areas — by far the greatest concentration of skiing facilities anywhere. State of the art snowmaking and trail grooming provide consistent skiing conditions and have extended the average season into May and June at some areas. The ski season traditionally begins at Thanksgiving time in November. For further information: ***Vermont Winter Vacation Guide***.

Cross Country

Vermont's 47 cross country ski areas offer groomed trails, tracks and skater's lanes. The X-C symbol on this map indicates areas where ski touring facilities are available rather than specific centers.

Ski touring is permitted on public land in state forests & parks and the Green Mountain National Forest, but trails are not groomed or patrolled. A winter recreation map may be obtained from: Forest Supervisor, Green Mountain National Forest, Federal Bldg., 151 West St., Rutland, VT 05701 (enclose $2). Tel. 802-773-0300.

Skiers should always ask permission before crossing private land. For further information: ***Vermont Winter Vacation Guide***.

Snowmobiling

The above symbol indicates plowed parking areas provided near snowmobile trails.

A network of more than 2000 miles of marked, groomed snowmobile trails criss-crosses Vermont. These trails have been built and maintained through the cooperative efforts of the **Vermont Association of Snow Travelers (VAST)** and community snowmobiling clubs.

The province of Quebec and the states of New York, Maine and New Hampshire have registration reciprocity with Vermont. Residents of other states must register their machines in Vermont. All non-residents must joint VAST and a local club in order to ride their machines on the VAST trail system.

For an application to register a snowmobile in Vermont and information about joining VAST and a Vermont snowmobile club, contact: VAST, PO Box 839, Montpelier, VT 05601. Tel. 802-229-0005.
