## Travel Information Signs

Vermont's natural beauty is not marred by billboards. Directional Signs and Travel Information Plazas are provided for locating services, attractions, and resort areas:

Businesses located off highways have Directional Signs indicating the business name, direction and distance from the highway. On interstate highways, general services (food, gas, lodging and camping) within six miles of an interchange are indicated below exit signs.

Lodging — Food — Crafts/Antiques — Goods/Services — Recreation

The symbols are featured on Vermont's TRAVEL INFORMATION PLAZAS with listings of nearby businesses and services. Plaza locations are identified on this map by the symbol . Both general information about the state and specific details about local services and points of interest are provided.

Plazas are located at Interstate Information Centers, Welcome Centers at incoming borders and near key points of interest. Many are adjacent local Chamber of Commerce offices or seasonal information booths, where additional travel literature will be available. (See listings under Local Travel Information.)

## Exploring Vermont — Tours & Detours

As beautiful as the Vermont landscape may be as seen from the sweeping views along the interstate highways, the state's true charm can be best discovered along the less-travelled ways through its well-kept farmlands, small villages and historic downtowns.

*Tours & Detours* is a new series of regional brochures that highlight these special aspects of Vermont through 14 thematic tours that emphasize the state's natural, historical and cultural heritage. For example, some of the tour themes include: Victorian Vermont; Morgans, Milk and Maple Syrup; Mountains of Adventure; and Waterfare.

Another excellent resource for exploring the Green Mountain State is the 40 page booklet, *Three Hundred Things to See & Do in Vermont,* which provides brief, detailed descriptions of scenic points, colleges, art galleries, performing arts, and historic districts, sites and museums.

The brochures are available at all interstate information centers and welcome centers, and most community information booths.

## How to Use This Map

The accordion fold of this map is designed for reading any two columns of the text conveniently, without unfolding the entire map. Also, this design allows the user to easily refold the map side to a small size showing the particular section of the state being traveled.

Most listings on the informational side of this map provide map grid references for towns.

The map also serves as a planning tool for a Vermont tour or vacation. With the details symbolized on the map and the listings and references provided in the text, travelers can identify the state's many attractions, recreational areas, and historical points of interest. These symbols are listed in the Key To Map Symbols on the map side, and are also illustrated in appropriate sections of the text.

## DUI in Vermont (Advisory)

Conviction for driving under the influence of alcohol or drugs (DUI) within the State of Vermont can result in court-imposed fines and penalties, including possible jail sentence. Repeated offenses carry stiffer penalties. Refusal to take a DUI test can also result in license suspension. For adults, the legal limit is .08 % blood alcohol count; under age 18 the limit is .02%.

## Safety Restraints Required

Vermont law requires all vehicle occupants be secured in federally approved safety belts. Children, up to their fifth birthday, must be secured in a federally approved child safety device regardless of the seating position. When the number of occupants exceeds the number of safety belts, children take priority and must be secured.

## Agriculture

Vermont farms contribute to both the pastoral quality of the landscape and the traveler's dining pleasure. Dairy products are the mainstay of Vermont's agricultural economy, with maple syrup, apples, plant nurseries, livestock, honey, vegetables and fruits also making significant contributions. Weekly farmers' markets are held in communities throughout the state from early summer to mid-autumn. Farmstands dot the state's roadsides as well.

The Vermont Department of Agriculture has information about pick-your-own fruit and vegetables in season, perennial and display gardens, cheese companies, apple and Christmas tree farms in a touring guide called *AgVentures*. A pamphlet lists sugarhouses where visitors can observe the sugaring process and buy maple products. For information, call: 802-828-2416.

*Take home some quality Vermont farm products.*

## Arts & Crafts

During the summer and fall, Vermont hosts many visual and performing arts events and shows. General listings of theaters and festivals can be found in the Attractions and Events sections of the seasonal *Events Calendars.*

In addition to the many seasonal crafts fairs and festivals held throughout the state, regional craft centers operate year round. These include the Vermont State Craft Center at Frog Hollow in Middlebury, founded in 1971; the Vermont State Craft Center at Windsor House (1976), at Windsor; and Frog Hollow outlets on Burlington's Church Street Marketplace and in the Equinox Historic District of Manchester Village. Montpelier's Artisan's Hand is another regional crafts center.

All centers are sales galleries for fine Vermont crafts and several hold classes for children and adults, special craft festivals and rotating exhibits featuring the quality work of Vermont craftspeople. The *Vermont Crafts Guide* lists both retail crafts outlets and the studios of individual crafts artisans. It is available through state and local information centers, or by writing The Vermont Crafts Council, PO Box 938, Montpelier VT 05601. Tel. 802-223-3380.

## Attractions

Mountain slides, mountain rides, scenic journeys on restored railroads, and lake cruises are a sampling of Vermont's popular attractions. The Green Mountain State is itself a centerpiece attraction: the pastoral landscape, 19th century villages, and outdoor recreation facilities have long delighted travelers. Several well-known attractions are indicated as "Points of Interest" on the map; others are listed in the colorful *Vermont Attractions Map & Guide* and in the seasonal *Events Calenders.*

## Bicycling

Vermont's scenic roads are renowned for bicycle touring. Relatively low volumes of traffic and minimal roadside litter have also been factors in attracting cyclists to the Green Mountains.

Extra caution should be taken on mountainous routes where roads will often be narrow, and on certain, heavily traveled highways. The Department of Forests, Parks and Recreation suggests bicyclists use extreme caution on the following highways:

- U.S. 7 — Between Manchester and Burlington
- U.S. 9 — Between Brattleboro and Bennington
- U.S. 4 — Between Rutland and White River Jct.
- U.S. 2 — Between Montpelier and St. Johnsbury
- VT Rte. 100 — While a popular and scenic route, it is heavily traveled, winding and narrow.

Bicyclists should always wear highly-visible clothing and travel single file, keeping as far to the right as road conditions permit. Large groups should separate into smaller groups of two to four bicyclists, allowing sufficient distance between these groups for cars to pass safely.

Several professionally-run bicycle touring organizations operate a variety of trips throughout the state. A current listing of these can be found in the *Vermont Traveler's Guidebook.*

A bicycle touring map published by *Vermont Life Magazine* is widely available in Vermont; or write *Bicycle Vermont Map and Guide,* Vermont Life, 6 Baldwin St., Montpelier, VT 05602 ($2.95, plus $1 postage and handling). Tel. 802-828-3241.

## Boating & Canoeing

In addition to more than 200 miles of shoreline along Lake Champlain, Vermont has more than 400 lakes and ponds and several hundred miles of navigable rivers. Boating of all kinds is popular along New England's West Coast and on the state's larger lakes. Sailboards are increasingly visible on Green Mountain waters.

Public Boat Launch Areas are indicated by the symbol on the map. Boaters should note that fishing licenses and fishing equipment are required for use of fishing access areas: tickets will be issued and fines levied for recreational boating from these sites.

### Motorboats

*Laws and Regulations Governing the Use and Registration of Motorboats* is available from the VT Dept. of Public Safety, Marine Division, Waterbury, VT 05671-2101.

### Sanitation Regulations

It is illegal to discharge sewage into the waters of Lake Champlain or any other body of water in Vermont. State law requires any vessel operating in Vermont waters and having a marine toilet on board to be equipped with a holding tank. Any optional means of discharging toilet waste through the hull and into the water must be sealed shut and any discharge hoses disconnected and stored. Virtually all the marinas around Lake Champlain provide pumpout facilities.

### Canoeing

Several of Vermont's major rivers provide long stretches ideal for canoe trips, and certain areas are popular for whitewater kayaking and rafting during the spring and early summer.

Rivers accessible to canoeists include the Connecticut, Lamoille, Missisquoi, Winooski, Battenkill, Lemon Fair and Otter Creek. Overnight campers are advised to obtain permission in advance from private landowners, and Vermont law requires permission before building a campfire on private land between April 1 and November 1.

For other sources of information, listings of guided tours and inn-to-inn canoe trips, see the *Vermont Traveler's Guidebook.*

## Camping

Facilities for camping are available on state and national forest land, and at privately operated campgrounds. The *Vermont Campground Guide* provides information about camping at both state parks and private facilities.

### State Parks

Vermont's 35 state-operated campgrounds provide more than 2,200 sites for campers. Campsites include a fireplace and picnic table. Firewood is usually available for a small charge. Most sites will accommodate an average size recreation vehicle, but hook-ups for water, electricity or sewage are not available. Sanitary dump stations for RV's are available at most areas. Three-sided lean-tos that will accommodate up to five people are available at many campgrounds.

Facilities and services available at each campground are detailed on the chart at the right. For additional information call or write: Vermont Dept. of Forests, Parks and Recreation, Waterbury, VT 05671-0601. Tel. 802-241-3655.

### Green Mountain National Forest

More than 350,000 acres of the Green Mountains are managed by the U.S. Forest Service. Campsites are available at ten areas listed on the chart at the right. For details, call or write: Forest Supervisor, Green Mountain National Forest, 231 North Main Street, Rutland, VT 05702. Tel. 802-747-6700; TDD 802-747-6765.

Accessible view from Mt. Philo

### Primitive Camping

Camping in remote areas, away from managed campsites, is regulated on both state and federal land in Vermont.

Many remote areas of state land are available for backpacking, but hikers and campers are expected to carry out all refuse. Permits are required for groups of eleven or more people. Write or ask for the *Vermont Guide to Primitive Camping on State Lands* from the Dept. of Forests, Parks and Recreation.

Primitive camping is allowed in the Green Mountain National Forest. A permit may be required for organized groups. Details are available from the Forest Supervisor listed above.

### Privately Owned Campgrounds

The Vermont Association of Private Campground Owners and Operators (VAPCOO) publishes the *Vermont Campground Guide,* listing members and the facilities and services offered at each campground. Sites range from simple tenting to complete RV hook-ups. Advance reservations are recommended during the summer and fall seasons. *(See listings at right.)*

## Covered Bridges

More than 100 of Vermont's covered bridges are indicated on this map. Many of these bridges are located off major routes and provide good reason to explore some of the less-traveled countryside. The oldest covered bridge in Vermont is the 1820 Pulp Mill Bridge at Middlebury. The Scott Covered Bridge in Townshend has the longest single span. The newest was built at Woodstock in 1969. In recent years, more than 50 of these bridges have been extensively repaired or restored, and many are listed on the National Register of Historic Places.

## Ferry Crossings

Auto/passenger ferries operate across Lake Champlain from four landings in Vermont. The northernmost of these, running between Grand Isle, VT (C-4) and Cumberland Head, NY, operates year-round. The Burlington, VT (C-6) to Port Kent, NY, operates mid-May through mid-October, and the Charlotte, VT (C-7) to Essex, NY, operates April (opening date subject to ice conditions) to the first week of January. All the above ferries are operated by the Lake Champlain Transportation Company, King Street Dock, Burlington, VT 05401. Tel. 802-864-9804.

The southernmost ferry runs between Larrabee's Point VT (C-10), and Ticonderoga, NY, with continuous seven-minute crossings from 8 a.m. – 8 p.m. during the summer and a shorter schedule in the spring and fall. Call 802-897-7999 for information.

## Fishing

Vermont is renown for both warmwater and coldwater fishing. More than 400 lakes and ponds and some 5,000 miles of fishable streams lie within the valleys of the lush Green Mountains.

**Fishing Access Areas** with boat launch ramps are shown on this map by the symbol . Information on species and the quality of fishing to be expected in specific areas is detailed in the *Vermont Guide to Fishing.* For complete information on seasons and limits, request the *Digest of Fish & Wildlife Regulations.* A list of *Vermont Guides and Outfitters* is also available. ## Hiking

Two major hiking trails run along the spine of the Green Mountains. The approximate route of these trails is indicated by . . . . on this map. The Appalachian Trail and the Long Trail follow the same route from the state's southern border to the Sherburne Pass (E-11), where the Appalachian Trail turns east and the Long Trail continues north, following the heights of the Green Mountain range to the Canadian border.

Access to these trails can be found along spur trails, or where they intersect highways and roads. Shelters are available at intervals along these trails. Foresters recommend that hikers utilize topographic maps of their route. The *Guidebook to the Long Trail* ($9.95 plus $3.25 P & H) and *Day Hiker's Vermont Sampler* (free with S.A.S.E.) are available by writing the Green Mountain Club, Inc., RR 1, Box 650, Rte. 100, Waterbury Ctr., VT 05677. Also, marked foot trails and nature trails can be found at many state and federal parks and forest areas. *(See Public Recreation Areas chart at right).*

## Historic Sites & Places

Settlement of Vermont began in earnest shortly before the American Revolution. The state's more than 200 years of history is remarkably accessible through buildings, battlefields and museums.

State-owned sites include the oldest log cabin in the United States, the Hyde Log Cabin (1783) at Grand Isle (C-4). Other state-owned sites include the Bennington Battle Monument (D-17), the birthplace of President Chester A. Arthur at Fairfield (E-4), and the family home of President Calvin Coolidge at Plymouth (F-12). Listings of all state-owned and maintained historic sites can be found in the *Traveler's Guidebook.* Detailed information about each site may be obtained by writing: Division for Historic Preservation, 135 State Street, Montpelier, VT 05633-1201. Tel. 802-828-3226.

Many other properties of historic interest are privately operated, yet readily accessible to the public. Listings can be found in the *Traveler's Guidebook* and in the seasonal *Events Calendars.*

## Lodging

Travelers will find a complete spectrum of lodging choices throughout Vermont. Roadside motels, country inns, farm lodges, resort hotels and condominiums are listed in the *Vermont Traveler's Guidebook.* Also, bed & breakfast homes are increasingly popular in both small towns and rural areas: *Vermont Country Inns* provides detailed listings about inns and bed & breakfasts. Seasonal rental guides list condominiums, cottages, cabins and vacation homes available for weekly or longer-term rentals.

Advance reservations are recommended during foliage season and all major holiday weekends.

## Museums

The nearly thirty museums in the Green Mountain State provide entertaining and educational stops or day trips in every part of the state. The famous Shelburne Museum (C-7) has 37 buildings on 45 acres, and includes the SS Ticonderoga, the only remaining sidewheeler steamship in the nation. Other museums exhibit art, wildlife, or items and demonstrations of historical and scientific interest. Many of these museums are indicated by the 'Point of Interest' symbol on the map side.

For detailed listings of Vermont's museums and their special collections, see the booklet *Three Hundred Things to See & Do in Vermont* or the listings in the seasonal *Events Calendars.*

Many Vermont communities have active historical societies which operate small museums. These are generally open on weekends during the summer and fall months for a limited number of hours, or by appointment. Inquire locally.

A detailed, 90-page catalogue, *Vermont Museums, Galleries & Historic Buildings,* is available from The Museum & Gallery Alliance, c/o Shelburne Museum, PO Box 10, Dept. VTM, Shelburne, VT 05482 ($8.95, plus $1.50 P & H). Tel. 802-985-3346, ext. 323.

## Scenic Villages

The New England village, a group of clapboard houses clustered around a steepled church or town hall, is an image that Vermont fulfills in abundance and variety. The villages and towns listed below may be distinguished by their central commons, an intact 19th century streetscape, or particular views from the surrounding hillsides. Some are recognized as Historic Districts on the National Register of Historic Places.

This listing is representative; travelers will discover visual and historic interests in many other villages and towns as well.

## Watchable Wildlife

From the rugged Green Mountains to pristine Lake Champlain and nearby Missisquoi National Wildlife Refuge in Swanton to the unspoiled wilderness of remote Essex County, Vermont is rich with a variety of wildlife.

The *Vermont Wildlife Viewing Guide* will lead you to 50 of the state's premier wildlife viewing areas. To purchase the Guide call Falcon Press at 1-800-582-2665. ## Skiing

### Alpine

Within her relatively small geographic area, Vermont has 20 alpine ski areas — by far the greatest concentration of skiing facilities in the eastern United States. State of the art snowmaking and trail grooming provide consistent skiing conditions and have extended the average season into May and June at some areas. The ski season traditionally begins at Thanksgiving time in November. For further information: *Vermont Winter Vacation Guide.*

### Cross-Country

Vermont's nearly 50 cross country ski areas offer groomed trails, tracks and skater's lanes. The XC symbol on this map indicates areas where cross country skiing is available rather than specific centers.

Ski touring is permitted on public land in state forests and parks and the Green Mountain National Forest, but trails are not groomed or regularly patrolled. A winter recreation map may be obtained from: Forest Supervisor, Green Mountain National Forest, 231 North Main St., Rutland, VT 05701. Tel. 802-747-6700; TTY 802-747-6765.

Skiers should always ask permission before crossing private land. For further information: *Vermont Winter Guide.*

## Snowmobiling

A network of more than 2,000 miles of marked, groomed snowmobile trails criss-crosses Vermont. These trails have been built and maintained through the cooperative efforts of the Vermont Association of Snow Travelers (VAST) and community snowmobiling clubs.

Residents of other states must register their machines in Vermont. All non-residents must join VAST and a local club in order to ride their machines on the VAST trail system.

For an application to register a snowmobile in Vermont and information about joining VAST and a Vermont snowmobile club, contact: VAST, PO Box 839, Montpelier, VT 05601. Tel. 802-229-0005. VAST Trail News, a recorded, trail conditions report: Tel. 802-229-4202.
