## HOW TO USE THIS MAP

The accordion fold of the map is designed for reading any two columns of the text conveniently, without unfolding the entire map. Also, this design allows the user to easily refold the map side to a small size showing the particular section of the state being traveled.

Most listings on the informational side of this map provide map grid references for towns.

The map also serves as a planning tool for a Vermont tour or vacation. With the details symbolized on the map and the listings and references provided in the text, travelers can identify the state's many attractions, recreational areas, and historical points of interest. These symbols are listed in the Key to Map Symbols on the map side, and are also illustrated in appropriate sections of the text.

## TEMPERATURE AVERAGES

# AGRICULTURAL HERITAGE

Vermont farms contribute to both the pastoral quality of the landscape and the traveler's dining pleasure. Dairy products are a mainstay of Vermont's agricultural economy, with maple syrup, apples, plant nurseries, livestock, honey, vegetables and fruits also making significant contributions.

Weekly farmers' markets are held in communities throughout the state from early summer to mid-autumn. Farm stands dot the roadsides throughout the state as well.

The Vermont Department of Agriculture provides information about pick your own fruit and vegetables in season, perennial and display gardens, cheese companies, Christmas tree farms, and a pamphlet on sugarhouses listing where visitors can observe the sugaring process and buy maple products.

Agricultural products also include beef, wool, and a great variety of specialty food products, from salsa to classic grape wines. The Vermont Fresh Network is a cooperative program between Vermont restaurants and more than 140 local farms to provide the fresh, high-quality foods from Vermont's working landscape. A listing of member restaurants is available by calling 1-800-658-8787.

Farm visits and farm vacations are increasingly popular ways to experience Vermont farm life first hand. Vermont Farms provides current information about farm visits: 1-877-VTFARMS (toll-free).

Comprehensive Vermont agricultural information is available at **www.state.vt.us/agric/**

# CULTURAL HERITAGE

Vermont is blessed with an abundance of historic properties, districts, and landmarks, as well as a wide variety of museums and lively arts centers that reflect the diversity and special character of life in the Green Mountain State.

The historic downtown areas of Vermont's cities and towns are a vital part of community life. Vermont has preserved the viability of downtown centers through a time when many areas of the country have suffered the consequences of sprawl. The state's commitment and investment to enhance and sustain downtown economies and their historical character continues.

## ARTS

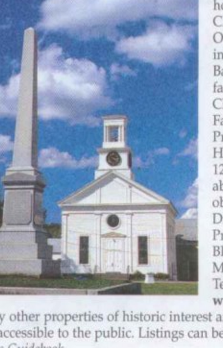
Scores of community arts organizations are active in Vermont, providing residents and visitors with a wide array of cultural activities. Throughout the year, Vermont hosts many visual and performing arts events, exhibits and shows. General listings are continually updated at **www.travel-vermont.com**

## CRAFTS

In addition to the many seasonal crafts fairs and festivals held across the state, several regional craft centers operate year round. These include the Vermont State Craft Center at Frog Hollow in Middlebury; the Vermont State Crafts Center at Windsor House, in Windsor; the Frog Hollow outlets at the Church Street Marketplace in Burlington and in the Equinox House Historic District of Manchester Village; and The Artisan's Hand in the heart of Montpelier. All of these centers are sales galleries for fine Vermont crafts. Several sites hold classes for children and adults, special craft festivals, and rotating exhibits featuring the quality work of Vermont craftspeople. The *Vermont Crafts Guide* lists both retail crafts outlets and the studios of individual artisans. It is available through state and local information centers, or by writing The Vermont Crafts Council, PO Box 938, Montpelier, VT 05601. Tel. 802-223-3380 or, **www.vermontcrafts.com**

# HISTORIC SITES AND PLACES

Settlement of Vermont began in earnest shortly before the American Revolution. The state's history is remarkably accessible through buildings, battlefields and museums. The newest addition to the many historic destinations in Vermont is the Marsh, Billings, Rockefeller National Historical Park at Woodstock (G-12), former home of three prominent families that have had significant impact on the culture and landscape of Vermont.



Cabot, André Jenny

State-owned sites include the newly interpreted site of Mount Independence, a key Revolutionary War stronghold on the shore of Lake Champlain in Orwell (C-10). Other state-owned sites include the Bennington Battle Monument (D-17), the family home of President Chester A. Arthur at Fairfield (E-4), and the President Calvin Coolidge Historic Site at Plymouth (F-12). Detailed information about each site may be obtained by writing: Division for Historic Preservation, National Life Bldg., 6th Floor, Drawer 20, Montpelier VT 05633. Tel. 802-828-3051. **www.historicvermont.com**

Many other properties of historic interest are privately operated, yet readily accessible to the public. Listings can be found in the *Vermont Traveler's Guidebook*.

# COVERED BRIDGES

More than 100 of Vermont's covered bridges are indicated on this map. Many of these bridges are located off major routes and provide good reason to explore some of the less-traveled countryside. The oldest covered bridge in Vermont is the 1820 Pulp Mill Bridge at Middlebury. The Scott Covered Bridge in Townshend has the longest single span. The newest was built at Woodstock in 1969. In recent years, more than 50 of these bridges have been extensively repaired or restored, and many are listed on the National Register of Historic Places.

# MUSEUMS, GALLERIES, AND HISTORICAL SOCIETIES

Vermont is home to nearly two hundred historical societies and close to one hundred museums and galleries. Located in every corner of the state, each offers the visitor entertaining stops or day trip destinations. The wide spectrum of subject matter within the museum community alone extends from Hudson River School paintings to farm implements. Many of these museums are indicated by the Point of Interest symbol ■ on the map.

The majority of the 251 towns in Vermont have historical societies. Some focus strictly on the interpretation of local history, while others address the role of the Green Mountain State in the broader issues that formed this nation. Almost all of the historical societies operate small museums, generally open during the summer and fall months. Hours vary, so it is important to inquire locally.

The Vermont Historical Society Museum showcases changing exhibits about Vermont's history and culture. Tues.- Fri. 9 a.m. – 4:30 p.m.; Sat. 9 a.m. – 4 p.m.; Sun. 12:00 p.m. – 4 p.m. (July 4 – Columbus Day the museum is also open Mondays, 9 a.m. – 4:30 p.m.). Tel. 802-828-2291. **www.state.vt.us/vhs**

A detailed directory, *Vermont Museums, Galleries and Historic Buildings*, is available for purchase from the Vermont Museum and Gallery Alliance, c/o Billings Farm and Museum, P.O. Box 489, Woodstock, VT 05091. Tel. 802-457-2671.

## WATCHABLE WILDLIFE

From the rugged Green Mountains to pristine Lake Champlain and nearby Missisquoi National Wildlife Refuge in Swanton to the unspoiled wilderness of remote Essex County, Vermont is rich with a variety of wildlife.

# NATURAL HERITAGE

Rural traditions and pastoral landscapes are cherished by Vermonters, who have legislated a billboard-free highway system and programs to reduce roadside litter. Travelers are invited to use this map for exploring the less-traveled by-ways of Vermont, as well as visiting the Green Mountain State's many attractions.

Outdoor recreation is a vital part of the Vermont experience, whether a leisurely stroll along a country lane, or a week's trek of the Long Trail. Camping, fishing, biking, boating, swimming, golf, and tennis are but a few of the warm weather activities readily accessible in Vermont. During the winter, visitors will find 20 alpine ski areas, more than 40 cross-country ski areas, and 5,000 miles of snowmobile trails in the Green Mountain State.

Whether you are seeking a quiet refuge, or activity and adventure, Vermont invites you to explore.

# BOATING & CANOEING

In addition to more than 200 miles of shoreline along Lake Champlain, Vermont has more than 400 lakes and ponds and several hundred miles of navigable rivers. Boating of all kinds is popular along New England's West Coast and on the state's larger lakes. Sailboards are increasingly visible on Green Mountain waters.

Public Boat Launch Areas are indicated by the symbol on the map. Boaters should note that fishing licenses and fishing equipment are required for use of fishing access areas: tickets will be issued and fines levied for recreational boating from these sites.

### Motorboats

*Laws and Regulations Governing the Use and Registration of Motorboats* is available from the Vermont State Police, Recreational Enforcement and Education Unit, 2777 St. George Road, Williston VT 05495. Tel. 802-878-7111, ext. 2211. **www.dps.state.vt.us**

### Sanitation Regulations

It is illegal to discharge sewage into the waters of Lake Champlain or any other body of water in Vermont. State law requires any vessel operating in Vermont waters and having a marine toilet on board to be equipped with a holding tank. Any optional means of discharging toilet waste through the hull and into the water must be sealed shut and any discharge hoses disconnected and stored. Virtually all the marinas around Lake Champlain provide pumpout facilities.

### Canoeing & Kayaking

Several of Vermont's major rivers provide long stretches ideal for canoe trips, and certain areas are popular for whitewater kayaking and rafting during the spring and early summer.

Rivers accessible to canoeists include the Connecticut, Lamoille, Missisquoi, Winooski, Battenkill, Lemon Fair and Otter Creek. Overnight campers are advised to obtain permission in advance from private landowners, and Vermont law requires permission before building a campfire on private land between April 1 and November 1.

Canoe and kayak rentals are available at many state parks and lakeside resorts throughout the state.

# CAMPING

Facilities for camping are available on state and national forest land, and at privately operated campgrounds.

### State Parks

Vermont's 35 state-operated campgrounds provide more than 2,200 sites for campers. Campsites include a fireplace or fire ring, and a picnic table. Firewood is available for a small charge. Most sites will accommodate an average size recreation vehicle, but hook-ups for water, electricity or sewage are not available. Sanitary dump stations for RVs are available at most areas. Three-sided lean-tos that will accommodate up to five people are available at many campgrounds.

Facilities and services available at each campground are detailed on the chart at the right. For complete listings in the *Vermont Campground Guide* call or write: Vermont Dept. of Forests, Parks and Recreation, Waterbury VT 05671-0601. Tel. 802-241-3655. **www.vtstateparks.com**

### Green Mountain National Forest

Over 350,000 acres of the Green Mountains are managed by the U.S. Forest Service. Campsites are available at six areas listed on the chart at the right. For details, call or write: Forest Supervisor, Green Mountain National Forest, 231 North Main, Rutland VT 05701. Tel. 802-747-6700, TDD 802-747-6265. **www.fs.fed.us/r9/gmfl**

### Primitive Camping

Camping in remote areas, away from managed campsites, is regulated on both state and federal land in Vermont.

Many remote areas of state land are available for backpacking, but hikers and campers are expected to carry out all refuse. Permits are required for groups of eleven or more people. Write or ask for the Vermont Guide to Primitive Camping on State Lands from the Dept. of Forests, Parks and Recreation.

Primitive camping is allowed in the Green Mountain National Forest. A permit may be required for organized groups. Details are available from the Forest Supervisor listed above.

### Privately Owned Campgrounds

The Vermont Campground Association annually publishes the *Vermont Campground Guide*, a listing of members and the facilities and services offered at their campgrounds. Sites range from simple tenting to complete RV hook-ups. Advance reservations are recommended during the summer and fall seasons. (See listings at right.) **www.campvermont.com**

# TOURING THE GREEN MOUNTAINS

Vermont is one of the only places left in an age of destination travel where touring is both practical and pleasurable. Even if your vacation is based at a destination resort, Vermont's small size invites exploration.

Over the years, it's been called "back-roading" or "shunpiking." The idea is to depart the high speed, four-lane highways and become immersed in the countryside and small villages. Vermont's scenic landscape, picturesque villages, and plentiful history are ideally suited to many styles of touring, by car, motorcycle, bicycle, motorcoach, canoe, horseback, or on foot. Inn to inn tours are especially popular, however you travel.

When traveling the older roads that wind along the valleys or meander over the mountains, you will enter a hamlet, village or small town approximately every six or eight miles. These settlements provide convenient stops for buying fuel or lunch, browsing through the local general store, or exploring local history.

### Ferry Crossings

Auto/passenger ferries operate across Lake Champlain from four landings in Vermont. The northernmost of these, running between Grand Isle, Vt. (C-4) and Cumberland Head, N.Y., operates year-round. The Burlington, Vt. (C-6) to Port Kent, N.Y., operates mid-May through late October, and the Charlotte, Vt. (C-7) to Essex, N.Y., operates April (opening date subject to ice conditions) through November. All the above ferries are operated by the Lake Champlain Transportation Company, King Street Dock, Burlington VT 05401. Tel. 802-864-9804.

The southernmost ferry runs between Larabee's Point, Vt. (C-10), and Ticonderoga, N.Y., with continuous six-minute crossings from 8 a.m.-9 p.m. during the summer and a shorter schedule in the spring and fall. Call 802-897-7999 for information.

# SUMMER AND FALL RECREATION

### Bicycling

Vermont's scenic roads are renown for bicycle touring. Relatively low volumes of traffic and minimal roadside litter have also been factors in attracting cyclists to the Green Mountains.

Extra caution should be taken on mountainous routes where roads will often be narrow, and on certain, heavily traveled highways. The Department of Forests, Parks and Recreation suggests bicyclists use extreme caution on the following highways:

U.S. 7 -- Between Manchester and Burlington

U.S. 9 -- Between Brattleboro and Bennington

U.S. 4 -- Between Rutland and White River Jct.

U.S. 2 -- Between Montpelier and St. Johnsbury

VT Rte. 100 -- While a popular and scenic route, it is heavily traveled, winding and narrow.

Bicyclists should always wear highly visible clothing and travel single file, keeping as far to the right as road conditions permit. Large groups should separate into smaller groups of two to four bicyclists, allowing sufficient distance between these groups for cars to pass safely.

Several professionally run bicycle touring organizations operate a variety of trips throughout the state and many resort areas have mountain bike programs, including lift-served trail systems, during the summer and fall. A current listing of these can be found in the *Vermont Traveler's Guidebook*, or at **www.travel-vermont.com**

### Golf

Rolling terrain, abundant rainfall and moderate summer temperatures combine to make Vermont's golf courses challenging, lush and enjoyable throughout the season. The 67 courses are indicated by the symbol on the map side.

For detailed information about the courses call the *Vermont Golf Journal & Directory*: Tel. 802-244-6222. **www.golf-vermont.com**

### Hiking

Two major hiking trails run along the spine of the Green Mountains. The approximate route of these trails is indicated by - - - on this map. The Appalachian Trail and the Long Trail follow the same route from the state's southern border to the Sherburne Pass (E-11), where the Appalachian Trail turns east and the Long Trail continues north, following the heights of the Green Mountain range to the Canadian border.

Access to these trails can be found along spur trails or where they intersect highways and roads. Shelters are available at intervals along these trails. Foresters recommend that hikers utilize topographic maps of their route. The *Long Trail Guide* ($14.95 plus $3.75 P & H) is available by writing the Green Mountain Club, Inc., 4711 Waterbury/Stowe Road, (Rte. 100), Waterbury Ctr. VT 05677. Tel. 802-244-7037. **www.greenmountainclub.org**

Also, marked foot trails and nature trails can be found at many state and federal parks and forest areas. (See Public Recreation Areas chart at right.)

### Alpine Skiing and Snowboarding

Within her relatively small geographic area, Vermont has 21 alpine ski areas -- by far the greatest concentration of skiing facilities anywhere. State of the art snowmaking and trail grooming provide consistent skiing conditions and have extended the average season into May and June at some areas. The season traditionally begins at Thanksgiving time in November. For further information see the Vermont Winter Guide, or the Vermont Ski Areas Association websites, **www.skivermont.com** **www.ridevermont.com**

### Cross Country Skiing and Snowshoeing

Vermont's 40 cross-country ski areas offer groomed trails, tracks and skating lanes. The X-C symbol on this map indicates areas where ski touring facilities are available rather than specific centers. A growing number of these centers also maintain shoeshoe trails and provide snowshoe rentals. A report of snow conditions at nordic centers is updated twice weekly during the season: **www.travel-vermont.com**

Ski touring is permitted on public land in state forests & parks and the Green Mountain National Forest, but trails are not groomed or patrolled. A winter recreation map may be obtained from: Forest Supervisor, Green Mountain National Forest, 231 North Main Street, Rutland VT 05701 (enclose $2). Tel. 802-747-6700, TDD 802-747-6765. **www.fs.fed.us/r9/gmfl**

### Snowmobiling

A network of more than 5,000 miles of marked, groomed snowmobile trails criss-crosses Vermont. These trails have been built and maintained through the cooperative efforts of the Vermont Association of Snow Travelers (VAST) and community snowmobiling clubs.

Residents of other states must register their machines in Vermont. All non-residents must joint VAST and a local club in order to ride their machines on the VAST trail system.

For an application to register a snowmobile in Vermont and information about joining VAST and a Vermont snowmobile club, contact: VAST, PO Box 839, Montpelier VT 05601. Tel. 802-229-0005. **www.vtvast.org**
